

APPLICATION PROCESS

We're so excited about your interest in serving with us in the Student Ministry here at K2 The Church. Our leaders are the greatest asset to the ministry and we take great pride in their commitment and dedication to what God is doing in the lives of our students.

You probably have a ton of questions right now so we've set up an entry process to help simplify the steps and give you an idea of what to expect.

1. In order to get the process started we first need you to fill out a leader application and background check. These can be downloaded from the church's website.
2. Once you fill these out, we can begin your month-long trial run with the student ministry. We want to provide you with opportunities to experience and visit different elements of the ministry so you can evaluate whether you feel it is the right fit for you.

It all starts with your 'First Visit'. 'First Visit' is just that. You'll come to one of our weekly events (The Gathering if High School) where we can meet you and where you will be able to see firsthand what these events consist of. We will pair you up with one of our leaders so you can shadow them and get an idea of what they do. Make sure to bring your paperwork with you to your 'First Visit'.

3. After 'First Visit', one of our leaders will set up an interview with you so we can hear your thoughts on the weekly event you visited and get to know you a little better.
4. Then you'll have three more weeks to check out the ministry and pray about your involvement. This will give you time to meet some of our students and get to know the leadership team. You'll also be able to attend our monthly leader meeting during this time. High school leadership meets the second Sunday of the month 9:30 to 11:30 a.m. (Food is provided).
5. After your fourth visit to Fusion, if this is where God is calling you to serve, we will then walk you through the Student Ministry Leader Commitment and give you a chance to sign it. Once your commitment letter is signed, you officially start your ministry here with us and it gives us a chance to celebrate and pray for your impact on our students.

Hope this helps shed some light on getting involved with us and we look forward to hearing back from you soon!
